Join Us at Booth 3811!

The OpenADR Alliance is a nonprofit corporation created to foster the development, adoption, and compliance of the Open Automated Demand Response (OpenADR) smart grid standard. This year the OpenADR Alliance is proud to co-exhibit with members AutoGrid, Fujitsu, Powerit Solutions and Universal Devices.

OpenADR Theater Presentations
In the OpenADR Alliance booth, #3811, members will share their perspectives on innovative programs, solutions, and developer resources based on the OpenADR standard for automated demand response.

Be sure to visit the other OpenADR members exhibiting at DistribuTECH to see the latest OpenADR solutions for the residential,commercial and industrial markets. *(See back)*
